### FY2011 Capital Project Proposals

The on-line Legislative Capital Project Submission & Information System (CAPSIS) is now available to begin entering project information for *consideration* for the FY2011 Capital Budget.

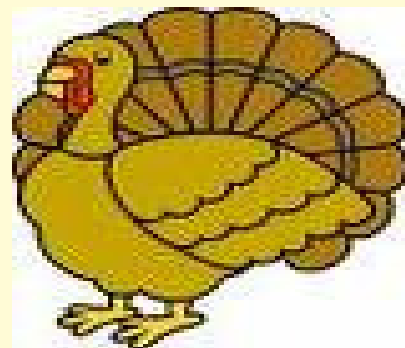

Legislative offices may establish sub-accounts for municipal governments, non-profits and other individuals within our districts, so that they can enter projects directly into CAPSIS. The deadline to access to the CAPSIS system is 5:00pm, Friday, February 12<sup>th</sup>.

SENATE DISTRICT S - Please observe the following guidelines when using CAPSIS:

- In order to keep project listings organized within a single municipal government, non-profit, etc., **we are not allowed to create more than one user per sub-account**. To be assigned a "User Name" and "Password," please **contact only one** of our offices; **Senator Hoffman/1-866-465-4453**; or Representative Bryce Edgmon/269-0275 (HD37); or Representative Bob Herron/465-4942 (HD38).
- Your "User Name" and "Password" will be e-mailed to your contact person.
- Begin entering your proposed FY2011 Capital projects online by accessing CAPSIS, go to [www.legfin.state.ak.us/ProjectBackup/enterCapitalProjects.php](http://www.legfin.state.ak.us/ProjectBackup/enterCapitalProjects.php). Click the "Login" button and enter your "User Name" and "Password".

Thank you for your assistance in making this year's Capital Budget process as efficient as possible. If you have any questions about the CAPSIS or other concerns about this year's process, please contact Pat Walker/1-866-465-4453.

May your stuffing be tasty  
May your turkey be plump,  
May your potatoes and gravy  
Have never a lump.  
May your yams be delicious  
And your pies take the prize,  
And may your Thanksgiving dinner  
Stay off your thighs!

**Happy Thanksgiving Everyone!**
