## A Message From The Principal

Great things have happened these first two weeks of school. Our third grade students participated in the annual milk carton Regatta and it was great fun for all. Better yet, none of the ships sank, no one fell overboard, and the weather cooperated. These types of activities make education fun, and I applaud all involved.

We also had our Cross Country team travel to Dutch Harbor last week. They all represented us well, and I was proud of them. Lizzy Turner placed 1st in the high school girls division for our district and 2nd place overall. Julia Johnson placed 2nd in the girls Jr. High division in our district and 2nd overall. Colton Mack placed 1st in the boys Jr. High division and 3rd overall. Way to go!

Our kids are doing a great job in taking care of our new gym floor. I often hear them remind each other regarding the various news rules designed to protect our floor. Great Job students!

We also have our A.S.C. Pot Luck, Meet and Greet, tonight at 6:00 pm. It would be a great time to meet our new staff members. Thank you A.S.C. for your support.

My door is always open, feel free to come and visit with me any time you feel the need. Thank you, Mr. Haslem.

### **Kids are Getting' Into Gear with Reading !!!**

Students in grades 1st thru 5th should read at least one book every day at home. When they get to school they can take a test first thing in the morning or during their school day. Please check on your child's reading daily. For 6th graders, Matilda is being read in the classroom and they've all picked a book of their own to read. Short, quick-read books daily are great to keep up with reading expectations. I commend our JR High and High school students who've already taken several quizzes from their summer reading. Don't forget about our 100% ice cream parties!!!

Ms. Marta

### **SAND POINT EAGLES RUN -- RUN -- RUN !!!**

The Sand Point Eagles Cross-Country Team had their first meet of the season in Dutch Harbor last weekend. We had a great trip out on the ferry and were joined by runners from King Cove and False Pass. It turned out to be a very nice day for running in Dutch Harbor. The Sand Point Eagles were led by Lizzy Turner who placed 1st in the AEBSD, and second overall. In the Jr. High race Colten Mack placed 1st in the AEBSD, and 3rd over-all. Julia Johnson placed 2nd in the Jr.High AEBSD race and 2nd overall. Rounding out the team for the Eagles were Alex Gilbert and Levi Jones. The next race will be the Region 1 South meet in Chevek, on September 25th. Lizzy Turner will be representing the Sand Point Eagles in this race. Wish her luck when you see her!!!

Thanks, Coach BCLee

### **District News of Tustumena Cross-Country Race**

Aleutians East Borough School District cross-country runners converged on Unalaska for the semi-annual Tustumena Race, held on Saturday September 4.. On the Aleutian Chain you need to maximize every opportunity for travel. The AEBSD sent runners from Sand Point, King Cove and False Pass to run against the Unalaska Raiders. The ferry Tustumena, arrived in Dutch Harbor at about 10am. The race was run a little after 11. And everyone was back on the ferry by 4.

AEBSD runners faired very well. Josiah Mack (KVC sophomore) finished first in the boys' high school race. And, the smallest runner in the race, Mary Yatchmeneff, was the first runner to cross the finish line in the junior high girls contest. The final results, as furnished by Unalaska High School are list below.

This race also served as the AEBSD District Finals. The top three runners in both the girls and boys high school division advances to the ASAA Regionals to be held in Chevak, October 2.

Coaches Etta Kuzakin (KVC) and Bruce Lee (SNP) will join Josiah Mack, Drayton Newman, Jaimen Mack, Mikayla McCallum, Ruth Roatch and Liizzy Tunner in the long trip to Chevak.

AEBSD Cross-Country Runners - Congratulations and Good Luck!
