## A Message From The Principal

Hi all,

We are just completing another exciting week at the Sand Point School. Sunday was family pictures, and that was followed up with school pictures on Monday. On Wednesday, we had a K-9 drug dog demonstration assembly. It was an excellent assembly that informed students on how a drug dog is trained, along with demonstrations on sniffing out drugs. Students also learned that this K-9 does a lot more than find drugs, he also is trained at search and rescue, cadavers, officer protection, etc. We also conducted a locker and building drug search earlier in the week, and I am pleased to announce that no actual drugs were found. We thank the Sand Point Police department for providing this learning experience for our students.

At present we have the volleyball team playing in a tournament at Bristol Bay. We are seeing great progress with this young team as was demonstrated at the Sand Point competitions last week.

Also, the wrestling team is in Anchorage at the ACS tournament. We are expecting great things from both of our teams. **GO EAGLES!**

## Wrestlers at ACS this weekend!

The Sand Point Wrestling Team will have an early morning this Friday, as they will be at the Anchorage Christian Schools Wrestling Tournament starting at 7 a.m. when Weigh-Ins start. They have to make weight, if not they have an hour and a half to run and drop enough weight to make their weight class. Most wrestlers stay close all week and drop that last pound or two the day before or the day of. How many pounds can you drop in a day, or an hour and a half. The coach always hopes nobody has to drop any. Lets all hope everyone makes it the first time. This year Senior Tim Lundgren has hopes of doing well in this tournament. Most years if you can place in this tournament you can do well in the Region 1 South Tournament and then also do well at State. Also wrestling for Sand Point for the first time is Justen Jones, a Freshmen. Justen will be competing at 110lbs. The first tournament is always a learning experience for all wrestlers. Wish our wrestlers well. We will be emailing in updates Friday and Saturday.  
Coach Lee

### Eagles are Soaring with Spirit

Sand Point Eagles volleyball team had their first and only set of home games this season, we played the weekend of November 4th. Games were played Thursday and Friday evening as well as an early morning game on Saturday. Our players collective GPA is 3.57 with no seniors, the future looks bright.

The Eagles have come a long way this season. Coach David Mitchell is happy with the improvement he has noticed since their first practice. He is proud of how the girls have been working hard in the classroom and on the court. Although the Eagles did not win any matches, most of the games were very close. The Lady Eagles kept their spirits up and talked about what they needed to work on.

Thursday's score 25-19, 25-13, 25-9, Friday's scores 23-25, 4-25, 19-25. Saturday's scores 12-25, 21-25, 15-25. It was great fun and good competition. Coach Long from King Cove had his team prepared to play. They worked well together in victory. The Rookies played hard while showing sportsmanship.

Keomi Chrim and Nikki Gundersen scored the most serve points. A lot of hustle was seen and there were some good saves by Lanie Kuchenoff. April Wilson was working hard at the net, with a couple of successful blocks. Bobbi came off the bench to help lift the team with her play. Megan Russell kept the game close with four service points. Jessica Carter and Rosie Holmberg played hard with some good volleys and points. Anne Rosete was solid every game moving and hustling to get to the balls. Keomi, Nikki, and Alaina were named the MVP's for the matches this weekend.

We were very excited to have the Eagles cheer team cheering for us at the games as well. Mrs. Nyberg had her cheer squad with 12 members which included a mystery person as the Eagle mascot. They did a great job involving the crowd, and had some awesome cheers.

The Eagles volleyball team would like to thank George Cromer and Tabitha Holmberg for officiating the games. Mr. Reich, Beverly Johansen, Matthew Bravo, Carl Warner, and Brandon Smith were great line judges. Mr. Lee, Alex Gilbert, and Brandon Gundersen did a great job with scorekeeping and clock running. We would also like to thank Marcy DeCosta for being the Gatekeeper for the whole weekend. A special thank you to the kitchen staff Joanna Karlson and Jamal Berntsen for coming in and making sure the King Cove girls were well fed. Thank you to Jason also for staying late and opening the pool so the King Cove girls could have extra activities while they were here. Without support from the parents and community this event would not have been as successful as it was.

### Pen Pals for 6th Graders

The 6th graders now have pen pals from Talence in France. We will be writing our introduction letters to them this week. We are very excited to learn about where they live and tell them all about Sand Point.

### PICTURES ANYONE?

We are looking for some pictures for the yearbook for the following categories: Sand Point scenes/ life (views, fishing, etc.), Culture Camp, 3rd grade regatta sporting events, walk for a cure, community events, Please email up to four pictures to [kgriffith@aebbsd.org](mailto:kgriffith@aebbsd.org).

Thank you,  
 Yearbook Staff
