## A Message From The Principal

Greetings to all!

Our basketball programs are off and running. Last weekend our boys basketball program hosted games with the King Cove team. Our guys fought a good fight and even though we didn't win on the score board, they proved to be winners in many important ways. I expect we will win next week when they compete in King Cove. Good Job Team!

Our girls basketball team also competed with King Cove last weekend. Their competition was in King Cove. Once again we weren't successful in gaining a win, but our girls showed great heart and progress. We will be hosting the King Cove girls in a competition next weekend on November 20th and 21st. Please come out to support our girls and to have a fun time. Way to go girls!

I would like to compliment Jillian Bjornstad for placing second in the District Geography Bee. The contestants had to go well into the final rounds to establish a winner. She represented our school well and should be proud of herself particularly based on the fact that she won the district competition last year. Fine job Jillian!

We are now at the end of first semester and finishing finals. We will be mailing home report cards by the end of next week or start of the following week. We will also be conducting a first semester awards ceremony on January 20th at 9:30 am in the gymnasium. Come on out and celebrate the achievement of our students.

Sincerely,  
Mr. Haslem

**KSDP/AEBSD Idida Podcast Update**

KSDP has been receiving entries and we are excited, however we want to give everyone a chance to compete who needed more time. Podcasts are now being accepted until January 20, 2012.

This is such a wonderful opportunity for students to use their creativity in a productive way. All they need to do is create a 2 minute or less recording, and they have a chance to win either an iPod or money, who can beat that!?

If you have any questions please give me a call at 383-KSDP.

Have a great weekend!!!

KSDP Manager

**Mr. Reilly welcomes students to 'Extra Help Saturdays'.**

He will be in his classroom from 9-11:00 every Saturday morning, to help any 5th or 6th grade students with lessons as well as give them an opportunity to make up any missed homework or class work. There will be a Cheerios break at 10:00, and I-Pad free time will be from 10:15-11:00. Mr. Reilly reminds parents that he distributes a grade sheet every Monday, and to drive their child to 'Extra Help Saturdays,' if they feel their child's grades are not satisfactory.
