Be STAR EAGLES !!!

We will continue to promote positive and effective classroom and schoolwide behavior management, the students were introduced to the "STAR EAGLE" concept last year. k. Our focus is to encourage and promote good behaviors through the teaching of expectations, rather than punitive consequences. The word star is an acronym for being **Safe, Trustworthy, Accountable, and Respectful**. It is difficult for a child to know how to act and behave if he/she has never been taught the specific expectations relative to the setting they are in. Please ask your child to explain the "STAR EAGLE" theme to you. The concept is not only a school or classroom application, it can work in the home and community as well. Please feel free to contact me if you have any questions or would like more information about the program.

Bring a Sack Lunch 8/27 - 8/31. Further updates will be given if there are more delays regarding the lunch program.
Thank you.

Welcome Back !!!

Cross Country News

Cross Country running started August 16th. This year we have Julia Johnson running for the Sand Point varsity girls. We have confidence that she will represent the Eagles well and we are hoping for another district win by her and have high hopes for a placement in the top 10 at regionals in Bristol Bay. Alex Gilbert and Jeremiah Wilson are representing the Sand Point varsity boys. They are working hard and we are hoping they can place at district and go on to regionals also.

Our up and coming Jr. High runners are Dantezza, Colten, Griffen, Wolf and Joseph. They are doing a great job.

The district competition is in King Cove this year. We will be traveling there on the September 6th ferry.

If you see the kids out running cheer them on.

Thank you,
Coach Lee

3rd Grade Milk Carton Regatta

Third Graders are on a mission to build milk carton boats for the fourth annual milk carton regatta to be held Friday, August 31, 2012, after school. Look for posters around town for details. Once again this will be a community service project. Please support your third grader as they ask you to pledge them in their effort to raise money for their class and Sand Point Boys and Girls Club.

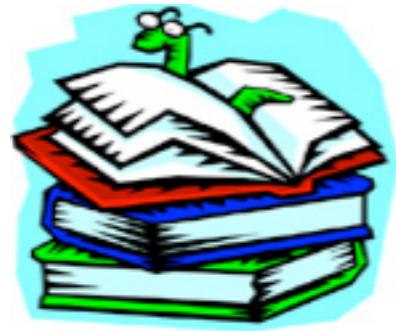

Please send your empty, clean, 1/2 gallon mil or juice cartons to school this coming, Monday, Tuesday, and Wednesday, to help us meet our goal of 300 milk cartons this year. You can also call to have cartons picked up.

If you would like to help or provide support for the race call Mrs. Cumberlidge at the school at 383-2393.

Thanks for your support and milk cartons with lids.
Mrs. Cumberlidge and third grade.

Mr. Reilly welcomes students to 'Extra Help Saturdays'.

He will be in his classroom from 9-11:00 every Saturday morning, to help any 5th or 6th grade students with lessons as well as give them an opportunity to make up any missed homework or class work. There will be a Cheerios break at 10:00, and I-Pad free time will be from 10:15-11:00. Mr. Reilly reminds parents that he distributes a grade sheet every Monday, and to drive their child to 'Extra Help Saturdays,' if they feel their child's grades are not satisfactory.
