Regional Basketball

Sand Point Eagles boys and girls teams represented our school well at their regional tournaments.

The boys team was in Manokotak for the regional tournament. In their first game, they played the Tanalian Lynxes and won by a large margin. Their second game was the 7th meeting against our district rivals King Cove T-Jacks. The Eagles fought hard, but came up short with seemingly none of their jump shots falling. Next, they played the Koliginek Huskies and came up with another double digit victory. Finally, our Sand Point boys played the New Stu Eagles for the right to play in the State qualifying game vs the Newhalen Malamutes, but couldn't pull it off. Sand Point was doing well on the offensive end, but couldn't stop New Stu on defense and ended up losing by 9 to end their season. Our boys finished with a 17-7 win-loss record, the best in many years.

Girl's regionals was in King Cove and in our girls first game, they played the Newhalen Malumutes. Our girls ended up losing this game, but they would fight all the way through the loser's bracket beating New Stu and Manokotak to get a rematch with Newhalen for 2nd place in the tournament. Our Lady Eagles won this game and qualified for the State Tournament for the first time in 20 years!
