Why did you come to Sand Point?

I came to Sand Point after living in a different rural Alaskan village for a year with my husband. I originally applied for the librarian position here, but was offered a job as an aide. After two years in Sand Point, I am thrilled to say I am the librarian here!

Why did you choose the subject you are teaching?

I guess I didn't actually choose to be librarian, it chose me. When the position opened up I applied right away. I have always loved books and reading.

What is one of your hidden talents?

One of my hidden talents... I'm really good at the mobile game, "Piano Tiles....."

If you had a boat, what would you name it?

If I had a boat I would name it Arronax after the narrator of Jules Vernes' Twenty Thousand Leagues Under the Sea

What do you want to be doing in 5 years?

In five years I want to be raising children with my husband and travelling every summer.

What interests do you pursue outside of the classroom?

Outside of the classroom, I love to travel, visit our National Parks, spend time with family, go to concerts, read all the books, and watch movies! And I LOVE to cook!

What's your favorite day of the week?

My favorite day of the week is Friday.

What song do you know all the words to?

One song I know all the words to is No Rain by Blind Melon.

Are you a dog or a cat person?

I am both a dog and cat person. I grew up with cats. My first dog was a schnauzer named Margo. She just passed away at the age of 13 1/2 this past March. We weren't quite ready for another dog yet, so we adopted a cat who we named Pavlof. He weighs 23 lbs and is cross-eyed!

Why did you come to Sand Point?

I have loved Alaska ever since I spent several summers in Kodiak when I was a kid. After I graduated college there was nowhere else I considered going! I had a choice between teaching in several fishing communities and chose Sand Point.

Why did you choose the subject you are teaching?

I have degrees in both Elementary Education and Special Education K-12. While I have enjoyed my time in different settings, 4th grade is my favorite because the kids are able to do so much and are still excited about learning.

What is one of your hidden talents?

I am good at a lot of crafts. I love to make things for my daughter and my home.

If you had a boat, what would you name it?

Sagan Rose, for my daughter!

What do you want to be doing in 5 years?

Educating, being creative, and hopefully spending lots of time exploring the world with my family.

What interests do you pursue outside of the classroom?

Spending time with my daughter, many types of crafts, and being outdoors.

What's your favorite day of the week?

Saturday

What song do you know all the words to?

Any Brandi Carlile song

Are you a dog or a cat person?

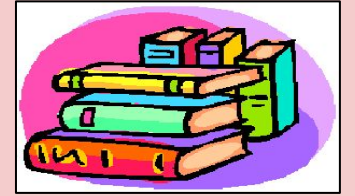

Dogs!
