### Principal's Message:

We celebrated the 100<sup>th</sup> Day of School on January 26<sup>th</sup>! It's hard to believe we're so far along in the school year already. So much is happening over the next few months. We will have games, concerts, celebrations, and of course lots of learning. Be sure to watch the Friday Flyer for upcoming events. Also a quick reminder...there is no school next Friday, February 2<sup>nd</sup> for a teacher in-service day.

I would like to take a moment to thank the Emergency Response personnel who assisted with the tsunami warning and evacuation to the Sand Point School in the early morning hours Tuesday. Your efforts in keeping us all safe should be commended and are very much appreciated. Thank you!

Dr. Seifert

### SENIORS, FAFSA DEADLINE IS COMING ON MARCH 2ND

The FAFSA (Free Application for Federal Student Aid) is available online by starting your account at [FAFSA.gov](http://FAFSA.gov) and the applications are due on or before March 2nd. Parents do not need their taxes completed before filing, just an estimate of your yearly income is all you need to file.

### THE SOONER, THE BETTER....

To qualify for grants, low interest loans and on campus jobs, you must submit a FAFSA to the school(s) you are thinking about attending. Don't be at the end of the line, get your FAFSA in as soon as possible! You can't get help with financing your college without submitting a FAFSA. This is required everywhere.

### THERE IS HELP OUT THERE....

There are many websites available to guide you through this process. I am also available anytime to help you complete the process. **BE SURE TO SAVE YOUR WORK AS YOU GO ALONG!** This will make the process easier in the long run.

Please contact me if you have any questions or need help.  
Mrs. Nyberg
