## A Message From The Principal

Coach Lee and Timmy Lundgren are off to the Bob Bailey wrestling tournament in Anchorage. We expect Timmy will do a fine job and represent us well. For our next tournament coming up on the 28th of October, we are expecting many more of our team members to travel. Go Timmy!

Next week it is our Girls Volleyball team that is off to the Dillingham tournament. These girls and their coach, have resurrected a program that has either been struggling or nonexistent for years. We have fifteen athletes involved. With the generous sponsorships and donations that are coming in from the community, we now have new uniforms, and are well on our way to providing the necessary funding for all team members to travel with the team. Thanks so much for all who are helping. The same is true of both boys and girls basketball. Ten years ago we were winning championships, and with the help we are starting to receive, these programs can be strong again.

Parents, you should have received mid-term grade/progress reports by now, either by mail, or from you student directly. If you haven't received them yet, let the office know, and we will see to it that you get a copy.

What a great place Sand Point is to live, a place where the community comes together for the good of not only our students, but each other. The beauty here is amazing, but so are the residents.

Thanks for all you do.  
Joseph V. Haslem

### Thank You

Sand Point School's third grade class would like to say a special thank you to City Clerk, Jade Cromer, Mayor Gardner, and the City Council, for allowing us to visit during your workshop this week. We appreciate the time council members Cumberlidge, Brown, and Johansen gave us. Thank you also to the department heads for sharing your reports with us. You all really helped to build our understanding of how elections work and what the city government does.

Mrs. Cumberlidge and the Third Grade Class

### Walk For A Cure

**SAVE THE DATE....SATURDAY, OCTOBER 16TH.....12:45PM.....CITY BUILDING.... THE WALK WILL GO ON!**

Rain or shine, our second annual Walk for a Cure will happen tomorrow. There will be a van available for any walkers who need a ride back from the spit. It will taxi back and forth between the spit and the city building during the walk.

All tickets will be sold during the event, and winners will be announced at the big pizza feast! We are asking that participants/guests will bring a salad or a desert to accompany the pizza that Trident has graciously donated.

The following people are selling tickets for your convenience: Jerri, Tina, Gloria, Connie, Carla, and Donna. Shalene is selling rubber duckies!!

Our community needs your support to make this a successful event.

Thanks!
