A Message From The Principal

Our Volleyball team is presently in Dillingham for a tournament. Competition is just getting underway as I write this, but in two scrimmage games prior to actual competition, we had one win and one loss.

Considering they are a new team, that is a great start. Another aspect of this team that gives me a great deal of pride is that they have a combined grade point average of over 3.5. Great Job Gals! Next week our wrestlers are off to the Wolverine Classic Tournament in Dillingham. We are expecting more of our wrestlers to attend this tournament, and they are all fired up to do well. Go guys!

Red Ribbon week is coming up next week. George Cromer III is the director of that program, and he has a lot of fun and informational activities going on all week.

Our school bus is still out of commission. We hope for it to be back up and running by Wednesday. In the mean time, please plan on the bus not being available Monday and Tuesday. We will keep you updated.

Thanks to you all, both students and community.

Thank You !!!

Thank You to the City of Sand Point, Peter Pan, Aleutian China, and Marine View B&B the newest sponsors of the teams.

Their support is helping with the foundation for programs that will breed success in the classroom and out on the courts.

The new volleyball uniforms have arrived and the team will be traveling in style to Dillingham this weekend. Wish them luck. The girls have been working hard and they are very excited to play.

The team is selling Sand Point Athletics t-shirts for \$20 There are also volleyball hoodies for sale for \$50, if you wish to order one with your name imprinted on the back for \$60 contact for Ms Jones.

The Library

by Ryder

The library is a quiet place where people can read. Reading helps people get their AR score up. There's this huge picture on the wall! That mural reminds me of fishing and my great grandma that died when I was in 2nd grade.

My special place is huge and there are 3 rooms in the library. There are almost 25 computers and there are probably over 3,000 books in the library. There's a couple rolling chairs and rocking chairs too.

When we're done with our books we get to take quizzes. If we pass the test we get points for passing the test. Once in a while we to play on the computer on multiplication.com. Sometimes I balance on the rocking chairs with my other classmates.

The library does have my favorite books in the library and we have a Hungarian librarian.

The library has the best seats ever and the best library teacher ever. The library has lots of plants, books, computers, and seats. All these reasons are why this is my special place.

Gym

by Karl

The gym is my special place because it makes me happy. It is my place to get exercise.

When I play in the gym I play basketball and kick ball. The gym floor is bigger than a classroom. The gym is full of colors. When I walk in the gym I see blue, white, yellow, and gold colors. The wooden floor is really nice, but when you fall it hurts more than when we had a rubbery floor. I try not to fall so I don't have a burn mark on my knee.

I sometimes go in the weight room, but I get toys. I get a Frisbee and play with it with my dad and brother.

You can't roller skate anymore, or have outside shoes on. You can't go on the scooters either.

The eagle is not on the floor anymore, Instead, there are new lines in the colors of gold and blue. Some things that are the same are the big eagles on the wall, and the chairs. There are some new blue benches to sit on.

I like to go to open gym whenever it is open. I usually play basketball or kickball. It is so fund, that I just can't wait to go.
