

CITY OF SAND POINT
P.O. BOX 249
SAND POINT, AK 99661
(907) 383-2696

*** EMPLOYMENT OPPORTUNITY ***

The City is accepting applications for the following position:

POSITION: Temporary, Full-Time / Rock Crusher Operator

SALARY: DOE

Under the direction of the Public Works Director, the Rock Crush Operator runs the City's crushing and screening plant while maximizing material production and minimizing plant interruptions and / or breakdowns. The applicant may also be used in performing other work assignments such as clean-up and operation of mobile equipment including loaders. This is a temporary position and not eligible for City benefits, but could expand to more hours based on demand for crush rock and direction from the Mayor.

THIS POSITION ALSO REQUIRES A VALID DRIVERS LICENSE

DUTIES & RESPONSIBILITIES:

Performs general maintenance, minor repairs and regular service on crushing and screening equipment daily as directed by Supervisor. Perform proper workplace examinations to minimize safety hazards and identify mechanical issues. Assist the Supervisor with record keeping and daily production schedules for submitting reports on production and maintenance to City Administration. General cleanliness of assigned equipment.

REQUIRED KNOWLEDGE, SKILLS AND QUALIFICATIONS:

High school diploma or equivalent. Ability to work safely in confined spaces and under equipment and vehicles. Good physical condition and the ability to lift 70 lbs. Willing to work outdoors and during harsh weather conditions. Good oral and written communications skills.

***** POSITION WILL BE OPEN UNTIL FILLED *****

For a copy of the job application or for more information, contact:
Shannon Sommer, City Clerk at 383-2696 or e-mail: sptcity@arctic.net

THE CITY OF SAND POINT IS A DRUG FREE WORKPLACE
Applicant must pass mandatory drug screening at the time of employment
