

# PUBLIC NOTICE

**U.S. ARMY**

**PROPOSED PLAN  
FORMERLY USED DEFENSE SITE  
SANAK ISLAND ARMY-AIRCRAFT WARNING STATION DISPOSAL SITE  
SANAK ISLAND**

The U.S. Army Corps of Engineers (USACE), as the lead execution agency, requests public comments on the Proposed Plan for removal and offsite disposal of contaminated soil from the Disposal Site at the Sanak Island Army-Aircraft Warning Station Formerly Used Defense Sites (FUDS) Property (FUDS Project Number F10AK020402) located on Sanak Island, Alaska. The Proposed Plan identifies a Preferred Alternative for addressing contamination at the site and provides rationale for this preference.

The public is encouraged to provide comments on any of the alternatives presented in the Proposed Plan. The Proposed Plan is available for download at this link:  
<https://www.poa.usace.army.mil/Library/Reports-and-Studies> under “Environmental Cleanup”

A printed version is available at the Sanak Island Information Repository, located in the office of the Pauloff Harbor Tribe in Sand Point, Alaska and at the U.S. Army Corps of Engineers Alaska District at 2204 Talley Ave, Joint Base Elmendorf Richardson, Alaska. The public comment period ends **March 25, 2024**.
