

Counselor's Corner

While we wait of the FAFSA and many local scholarships to open, I am reminding you all again this year of the "Best Scholarship Search Engines" (according to Forbes Magazine):

collegeboard.org
goingmerry.com
scholarshipowl.com
bold.org
myscholly.com
careeronestop.org
cappex.com
fastweb.com
scholarships.com

Free money is good money! You know where to find me if you need me!

Thank you for trusting me,
Dannielle Carlson

Guess Who???

Last week was Summer Walls!

This student is in 9th grade and got 3rd place in the cross country race last weekend earning their first trip to the state meet.

The Lady Eagles thank EVERYONE who made our 3-on-3 Tournament a success last weekend. We had a total of 32 players participate. Also a BIG thank you to Trident Seafoods and the AC Store for their donations to support us in hosting a successful tournament. We couldn't do it without you all!

-Coach Danntezza

WINNING TEAM (Team 5)
Ryu, Rowdy, Landon, and Madison

New Friday Electives for Secondary Students

HOME EC

Home Ec students are learning cooking, baking, stitching and sewing with Mrs. McMillan. So far this quarter, the students taking this class have baked muffins, stitched little chickens, and learned kitchen etiquette.

WOODSHOP

Woodshop is taught by Ms. Jenny, and at the moment she is teaching her students how to safely use machines. They just learned how to use a table saw! They are gearing up to create storage chests. All of her students are excited to create things!

YEARBOOK/JOURNALISM

Yearbook /Journalism is taught by Dannielle. Azia, Hailey, Precious, Iris, Charlotte, and Misty are our small, but mighty team! They are working hard to get the Friday Flyer out to you on time each week. And are also in charge of putting together an awesome 2024 - 2025 yearbook for you all!

DRAMA/WORLD STUDIES

Mrs. Phillips teaches two great electives: Drama and World Studies. Drama students are currently learning about greek mythology and are reading through a script. In World Studies she is teaching geography and doing projects on the continents.

CODING

Mr. Goben teaches Coding to Middle School students. So far they are learning computer science and about inputs and outputs. During a typical class they will also do journal prompts and learn important skills like collaborating with others.

ATV

ATV class will teach students basic maintenance for four wheelers and automotive vehicles from their teacher, Dennis Mcglashan. This class will also be providing services to the community on Sunday, October 13th providing oil and filter changes.

REGIONAL CROSS COUNTRY MEET RECAP

This weekend we had the great privilege of hosting the Cross Country Regional Race. We take pride in our communities amazing ability to come together to host a successful athletic competition. It takes a village! Thank you to all who pitched in and special thank you to Coach Roof for his guidance and coaching of our young athletes. Coach Roof added his own feelings after the big race this weekend saying:

I specifically want to thank:

- Mikal for the incredible effort of cooking for all these students
- Doug for doing lead 4-wheeler duty
- Bailey for keeping an eye on the runners as they navigated the trail
- Amy for watching the turn around point
- Tabitha, Karen and Cheryl for keeping an eye on the time
- Maddie for hosting the dance, Amy Mack/Dantezza for the Volleyball and Basketball Tournaments
- Megan for being a 'W' Principal (as the kids would say)
- Dave Brewer for being there and making it look good.

I am not certain the last time all our sites were together for an event like this, it truly was special.

If you have not had a chance to work with Matt Brown as our new Activities Director I want you to know he is working tirelessly to make our sports and activities a success and I want to thank him for just the tremendous amount of work he is putting into our athletic program, it means so much to our families.

Also thank you to Mike and the District Office for making the Cross Country program feel supported and arranging huge amounts of travel on the regular.

I cannot say thank you all enough for all everyone does in our school, but thank you. I love working up here and it's because of our amazing staff and students.

Misty Marine placing 1st

Kaylee Marcus placing 2nd

Lauren Rosete placing 3rd

Dawson Galovin placing 2nd

Chase placing 1st

SDP SWEEP! 1st, 2nd, and 3rd place winners for girls!
